

### Rules for dance battle:

- Dance battle is a street dance type competition where random songs will be played to which participants have to dance.
- The maximum limit for the dance will be 1:30 minute.
- Participation can be done in following categories i.e. solo, duet and group dance.
- There will be several rounds depending on the number of participants.
- The winner for each round will be decided on the basis of scores given by judge and audience polling, each will be having 50% weightage.
- The participants may be asked to perform prior to battle in order to gather crowd and this will be not considered as a part of the dance battle (For this section participants can have their own choice of song).
